# Procurement Technical Assistance Program (PTAP)

## Finding Federal Government Procurement Opportunities

Every 20 seconds of each working day, the Federal Government awards a contract with an average value of nearly \$500,000.

If your company has registered with the Central Contractor Register (CCR) and you want to develop or refine skills for finding new opportunities, this seminar is for you.

Learn How:

- The classification of goods and services impacts market research
- To perform market research using primary Federal procurement sites
- To use procurement history and forecasts for market research
